BRIEF ABSTRACT OF LETTER

Requests sanction to the Resolution dated 10.5.51 of the municipal Council on the subject

NOTES AND ORDERS

The annual Conference of the Association was held at Davangere on the 18th and 19th of May and the municipal Council on an appeal from the president of the Association resolved to give a contribution of Rs 300/- to the meeting held on 10.5.51. The amount has also been paid in anticipation of sanction as the Association required it for expenditure on the occasion and the matter could not be delayed.

2) Conferences & Such Associations are convened for the purpose of ^{advancing} ~~promoting~~ the interests and service conditions of their members and providing expert advice on the Rules by direct contacts. The Association must find its own funds and its contribution which the municipal Council has paid may not be quite justifiable having regard to its own commitments.

3) Since the expenditure has already been incurred, it is for orders if the Resolution may be sanctioned and the action taken satisfied.

~~Case~~ 5/7/51 (4) The grant is not permissible under the City Municipalities Act and has to be taken down.
